Promate Grand is an Apple MFI Certified power case made of genuine leather with a powerful Lithium-Polymer Battery for iPhone 5/5S, this is an ever lasting enhancement that every iPhone needs. The shell, reinforced with transparent plastic, allows a high level of protection against bumps and scratches. The inner part has been built in soft, anti-slip, material to avoid any kind of displacement. The grip, solid and pleasant to touch, gives you a feeling of comfort and strength. The recharging system is controlled by an easy reachable button located on the underside of Grand. Just push the button and you can activate the charging system.
